

Rules and Regulations

Please pay close attention to the rules of the road. Our guides will address these rules with you at the safety briefing at the beginning of our tour and continue to coach our riders throughout the tour. This is a guided scenic/historical tour reaching speeds up to 25 MPH.

1. No sling-shotting: No holding the vehicle purposely behind the tour and then gunning the engine to spin out and catch up to the tour.
2. No side-by-side riding: No passing or riding next to other vehicles.
